

# AUSTRALIAN SINGER-SONGWRITER VIRTUOSO GUITARIST DANIEL CHAMPAGNE RETURNS TO THE USA FOR AN UNPRECEDENTED 75 SHOW TOUR

*His most expansive US tour yet.*

NASHVILLE, TN, UNITED STATES, July 10, 2023 /EINPresswire.com/ -- If you're wondering what Australian singer, songwriter and one-of-a-kind guitar virtuoso Daniel Champagne did after his 44-city US tour over the summer of 2022, he proceeded immediately to Canada for 30 mostly

sold-out shows and then to New Zealand for another 30 mostly sold-out shows. There was a short Christmas break, and then a monumental tour of Australia.

Obviously, the best word to describe Daniel is "relentless".

“

The word Prodigy seems to entirely fall short of this soft-spoken young man's skills, he coaxes sounds and melodies out of his instrument that literally drop jaws.”

*The Calgary Herald, Canada*

Daniel will bring his tour back to America starting in mid-July 2023 and continuing through October for an even more ambitious 75 shows.

One reviewer recently wrote “Daniel Champagne exudes a natural ease on stage, as he sings poignant lyrics and

beautifully crafted melodies that invariably whisk the heart up with grand romanticism. Coupled with an exhilarating guitar talent that transcends mere acoustic playing to replicate a whole band, Champagne must be seen to be believed’

Daniel picked up his guitar as a 5-year-old following in the footsteps of a musical father. He began writing songs at 12, training classically throughout his teens and developed the dynamic live show that he is renowned for today. At 18 he left school, turned professional and hit the road.

The following decade saw him release 5 studio albums, tour relentlessly around the globe with upwards of 300 shows per year, play some of the biggest festivals in the world, and share stages with the likes of Tommy Emmanuel, INXS, John Butler, Lucinda Williams, Ani DiFranco, Judy Collins and Rodrigo y Gabriela.

His current release, “Shimmer Through The Windscreen” is making waves on the streaming

services and promises great critical acclaim once it is circulated to the media.

Daniel will release his first solo instrumental album called The Pursuit one single at a time digitally in August, with a hard copy will all tracks available in September. Album purchase will be available on his website <http://www.danielchampagnemusic.com>.

For fans of guitar, songs or just artistic expression at its finest, this show is a must see.

"Watching Daniel Champagne perform is a once in a lifetime experience. He is a true prodigy that plays like no one else could possibly play unless they spent at least two lifetimes studying the art." BW Review, NEW ZEALAND
