

Biogenic Solutions Named Exclusive Medical Waste Partner of Dallas County Medical Society

DALLAS, TX, UNITED STATES, July 7, 2023 /EINPresswire.com/ -- [Biogenic Solutions](#) is proud to be named as the exclusive medical waste management partner of the Dallas County Medical Society (DCMS). Biogenic Solutions, a leading [medical waste service](#) company, has been selected for its outstanding commitment to providing safe and reliable waste management solutions to healthcare professionals in the Dallas area.

As part of the DCMS partner program, Biogenic Solutions joins a distinguished group of medical-related businesses that serve the needs of physicians across Dallas County. This exclusive endorsement highlights Biogenic Solutions' dedication to maintaining the highest standards in medical waste disposal and their commitment to the local medical community.

"Biogenic Solutions has consistently demonstrated excellence in managing medical waste, ensuring the safety of physicians and their teams, patients, and the environment," said Jon R. Roth, MS, CAE, Executive Vice President and CEO of the Dallas County Medical Society. "Their comprehensive services and innovative solutions align perfectly with our commitment to supporting our physician members in Dallas County."

Biogenic Solutions offers a wide range of customized medical waste management services designed to meet the unique needs of healthcare facilities, clinics, and private practices. Their state-of-the-art disposal methods adhere to the strictest industry regulations and environmental guidelines, ensuring the proper handling, transportation, and disposal of medical waste.

"We are honored to be selected as the exclusive medical waste partner of the Dallas County Medical Society," said Anthony Boscarini, VP of Sales for Biogenic Solutions. "We understand the

critical importance of safe and efficient medical waste management for healthcare providers, and we are committed to delivering exceptional service and support to the medical community in Dallas."

Through this partnership, DCMS members will have access to Biogenic Solutions' [comprehensive suite of services](#), including biohazardous waste collection, sharps disposal, pharmaceutical waste management, and compliance training.
