

Pro India Emerges as India's Premier EPR & ESG Consultant Company

Pro India specializes in EPR and ESG registration and compliance, helping businesses integrate sustainable practices and meet environmental responsibilities.

GURUGRAM, HARYANA, INDIA, July 9, 2023 /EINPresswire.com/ -- Pro India, a leading provider of Environmental Product Responsibility (EPR) and Environmental, Social, and Governance (ESG) consultancy services, has cemented its position as the country's #1 EPR & ESG consultant company. With their headquarters based in Eros City Square, Sector 49, Gurugram, Haryana, Pro India has consistently demonstrated expertise in EPR and ESG registration and compliance.

Under the visionary leadership of CEO [Amit Saha](#), Pro India has garnered a reputation for delivering comprehensive and tailored solutions to businesses across various industries. The company's mission is to assist organizations in integrating sustainable practices into their operations, ensuring environmental responsibility and fostering social impact.

Pro India's proficiency lies in the intricacies of EPR, a crucial framework that governs the management of post-consumer waste. The company has successfully guided numerous clients through the intricacies of EPR registration and compliance, enabling them to meet their legal obligations while reducing their environmental footprint. Pro India's adept team of professionals possesses extensive knowledge of the regulatory landscape, ensuring a seamless and efficient process for clients.

Furthermore, Pro India recognizes the growing importance of ESG in today's business landscape. By understanding the significance of environmental sustainability, social responsibility, and

corporate governance, the company assists clients in incorporating ESG practices into their core business strategies. Pro India's comprehensive ESG consultancy services empower organizations to make informed decisions, enhance transparency, and build long-term value.

"We are thrilled to be recognized as India's #1 EPR & ESG consultant company," said Amit Saha, CEO of Pro India. "At Pro India, we believe that sustainability is the cornerstone of responsible business practices. Our dedicated team of experts is committed to guiding organizations through the complexities of EPR and ESG, helping them create a positive impact on the environment and society."

Pro India's success can be attributed to its client-centric approach, wherein every engagement is tailored to address the unique needs and goals of the organization. By offering personalized solutions, the company ensures that clients receive the most relevant and effective guidance, enabling them to meet regulatory requirements and contribute to sustainable development.

As a pioneering force in the field of EPR and ESG consultancy, Pro India continues to expand its reach and enhance its service offerings. The company remains dedicated to helping businesses navigate the evolving landscape of environmental responsibility and social governance, providing them with the tools and expertise necessary to succeed in today's sustainability-driven world.
