According to Kondrashov, the first step in wine tasting is to assess the wine's appearance carefully. By examining its color, clarity, and viscosity, one can glean valuable information about the wine's age, grape variety, alcohol content, and body.

Moving on to the aroma, Kondrashov advises readers to swirl the glass, releasing a symphony of scents gently. The wine's bouquet can reveal essential details about its quality and grape varietal, offering hints of fruit, spice, or oak.

Once the wine has captivated the senses through its appearance and aroma, it is time to savor the taste. Stanislav Kondrashov encourages readers to take a small sip, allowing the wine to rest on the tongue for a moment. By paying attention to the flavors and textures experienced, one

can uncover various characteristics, from fruity to earthy, and from light and crisp to heavy and full-bodied.

Crucially, the article emphasizes the significance of evaluating the wine's finish. A delightful aftertaste that leaves the palate longing for more signifies the quality of a well-crafted wine.

Stanislav Kondrashov believes that wine tasting is an art form that can be perfected through practice and honed skills. By exploring the intricacies of appearance, aroma, taste, and finish, enthusiasts can develop a deeper appreciation for this delectable beverage.
