

Mucky Boot Pest Control Launches New Website to Showcase Top-Notch Services

Customers can now easily navigate through the new website design to book the services they need.

EAGLE MOUNTAIN, UT, UNITED STATES, July 10, 2023 /EINPresswire.com/ -- Leading pest control company in Salt Lake and Utah County, Mucky Boot Pest Control, is eager to announce the launch of its new [website](#). With this new website design, potential customers can effortlessly navigate through the pages to learn more about their services, team, [pricing](#) options, and what sets Mucky Boot Pest Control apart and far above the competition.

Mucky Boot Pest Control is not only dedicated to providing the best services to residents, but providing education is extremely important to them too. Their comprehensive website outlines their various service offerings for pests, rodents, birds, wildlife, and lawn care. To further educate potential customers, Mucky Boot Pest Control has also launched a blog section on their site that shares interesting and valuable information from their pest control experts.

The new site clearly defines pricing options for customers trying to figure out the best plan for their pest control needs. If none of the options sound like the best fit, Mucky Boot offers customized plans tailored to customer needs.

Mucky Boot Pest Control encourages customers to [contact](#) them to learn more about their services and for help finding the best plan for their home or commercial business!

About the Company:

Since 2019, Mucky Boot Pest Control has provided exceptional pest control services to the Salt Lake and Utah County areas. They are locally and family-owned, with over 25 years of experience in the pest control industry. Mucky Boot is on a mission to provide customers with honest pest, wildlife, rodent, bird, and bat services with quality service, products, and materials. Although many competing pest control companies share the space, Mucky Boot can promise customers that they are different from the competition. With affordable treatment options, up-to-date certifications and training, and safe removal techniques, Mucky Boot Pest Control only provides customers with the best solutions—not bandaids.
