BANGALORE, KARNATAKA, INDIA, July 11, 2023 /EINPresswire.com/ -- Ankura Farms, a leading developer in managed farmplots which offers [managed farmland near bangalore](#) is delighted to announce the launch of its Hillview Farm project. The project is nestled in the picturesque location called Little England near Hosur which is 45 minute drive from Electronics city. The managed farmplot project combines the principles of permaculture and regenerative agriculture to cultivate a thriving ecosystem and a self-sustaining environment. Buyers can purchase farmplots in sizes 0.25, 0.5 and 1 acre.

Each farmplot boasts a diverse collection of fruit trees, carefully selected to thrive in the local climate and provide an abundant yield of seasonal fruits and timber plantations.

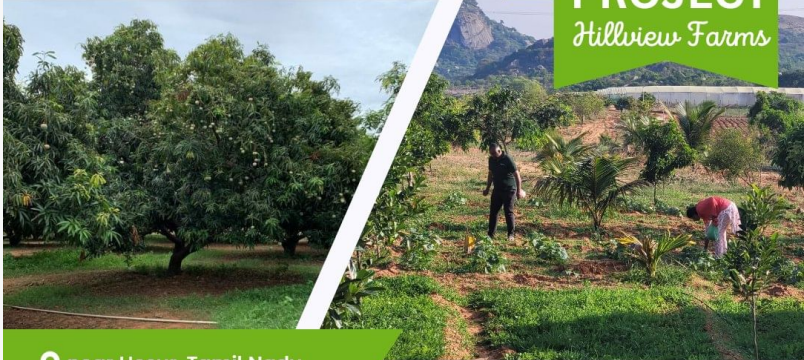

This visionary initiative features managed farmplots with food forests along with host of amenities like thoughtfully designed retreat rooms for guests to relax and unwind amidst the beauty of nature, a charming gazebo with picturesque backdrop to facilitate gatherings and special
