Dental Honor Board Committee and a thesis on the risk of maxillary sinus perforation illustrate his devotion to enriching the field. Additionally, his service trip to Jamaica, providing dental care to underserved patients, embodies his compassionate approach to care.

Staying at the forefront of the latest advancements in periodontics, Dr. Parsons embraces the digital evolution in the field. His membership with the American Academy of Periodontology and the American Dental Association keeps him connected to ongoing advancements and best practices.

Most notably, Dr. Parsons' approach is patient-centric and personalized. Believing in the power of education, he ensures patients understand their treatments and encourages active involvement in their care. This commitment to detailed planning and comprehensive treatment solidifies him as an invaluable asset to the Canal Calem team.

Outside his professional commitments, Dr. Parsons, a Montgomery, New Jersey native, demonstrates his love for the great outdoors. Whether fishing, skiing, swimming, or exploring with his husky, Dakota, Dr. Parsons cherishes time spent in nature. Described by loved ones as goofy, loyal, and bold, Dr. Parsons carries a sense of joy and adventure into both his professional and personal life. It is this blend of expertise and approachability that Canal Calem Periodontics is thrilled to welcome.

“

I'm deeply passionate about ensuring patients are at the forefront of every decision. Their understanding and involvement in their own care is of utmost importance to me.”
