

Prime Day Deals on INNOCN 44C1G Gaming Ultra-Wide Monitor during Amazon EU Prime Day Sale

SHENZHEN, GUANDONG, CHINA, July 12, 2023 /EINPresswire.com/ -- The research staff at Shenzhen Century Joint Innovation Technology Company Ltd. (INNOCN) is truly exceptional, consistently taking the right approach in creating premium monitors with ergonomic designs and useful features. Focused on bringing value to its customers, INNOCN has recently unveiled special deals on monitors exclusively for its Amazon customers in the European Union (EU).

Within the extraordinary selection of monitors offered by INNOCN, the INNOCN OLED HDR 400 Gaming Ultra-Wide Monitor 44C1G shines as an immensely sought-out monitor for creatives and workaholics. With a 43.8-inch viewing area and VESA wall mount compatibility, this monitor is perfect for creating an immersive gaming setup and enhancing productivity in home offices.

Exciting news awaits Amazon Prime members as the INNOCN 44C1G monitor will be available at a discounted price during the highly anticipated Prime Day sale, starting on July 11th. Amazon Prime members in Germany (Amazon [DE](#)) can own the monitor for €549, while customers in France (Amazon [FR](#)) can grab [it](#) for €539.05. Customers in Spain (Amazon ES) can acquire it for €559.2, and customers in Italy (Amazon IT) and the Netherlands (Amazon NL) can secure it for €539. This deal makes the 44C1G monitor an irresistible choice for customers across Europe, offering excellent quality and affordability.

The 44C1G monitor encompasses an array of features that make it a must-have for Amazon EU customers. With its impressive 178-degree ultra-wide viewing angle, gamers and business

professionals can enjoy an expanded field of view. Furthermore, the inclusion of TUV eye care and flicker-free technology ensures a comfortable viewing experience, preventing eye fatigue and strain. The FreeSync Premium feature guarantees smooth frame rates, while the 120Hz refresh rate eliminates image tearing.

The 44C1G monitor's features make it widely acclaimed as the best gaming monitor and a top choice for EU customers during the Amazon Prime Day sale.
