

Puma Venture Capital Announces Launch of Inaugural Fund

New VC Firm is Powered by Surgeon Venture Partners to Focus on Digital and Robotic Surgery Ecosystem

SAN DIEGO, CALIFORNIA, USA, July 11, 2023 /EINPresswire.com/ -- [Puma Venture Capital](#), a new venture capital firm focused on investments in all aspects of the digital and robotic surgery ecosystem, today announced the inaugural launch of its first fund. The firm was founded by [Amit Hazan](#) and [Dr. Vipul Patel](#), who bring a wealth of experience in the medical technology, finance, and healthcare industries.

Puma Venture Capital is uniquely positioned to invest in and support the next generation of companies across the digital and robotic surgery ecosystem. The firm's distinctive team of over 20 surgeon venture partners has deep expertise in the operating room and a strong understanding of the needs of surgeons, healthcare systems, and patients. This, combined with the firm's deep relationships in the medical technology industry, will enable Puma Venture Capital to identify and invest in the most promising companies in this rapidly growing space.

"We are incredibly excited to launch Puma Venture Capital and to partner with surgeons and other healthcare professionals to invest in the next generation of companies within the digital and robotic surgery ecosystem," said Amit Hazan, Managing Partner of Puma Venture Capital.

"We believe that this is a unique opportunity for surgeons to make a significant impact on the way surgery is performed and to improve the lives of patients around the world," said Dr. Vipul Patel, Senior Venture Partner of Puma Venture Capital.
