

Easy eLaw Introduces Upfront Pricing

*MOOSE JAW-BASED VIRTUAL LEGAL TEAM
NOW PROVIDING UPFRONT/NO-SURPRISE
FEE STRUCTURE TO REAL ESTATE CLIENTS*

MOOSE JAW, SK, CANADA, July 12, 2023

/EINPresswire.com/ -- [Easy eLaw](https://www.easylaw.ca), a

virtual lawyer service based in Moose Jaw, is excited to announce their upfront, no-surprise pricing for their entire suite of real estate services.

Purchasing property often involves numerous additional costs, such as taxes, insurance, and title transfer fees, among others. It can be a challenge to figure out the actual, final price. With this in mind, Easy eLaw is pleased to provide real estate transaction quotes, for free, so clients know exactly what to expect at time of closing.

Unfortunately, it's not uncommon for buyers and sellers to conduct [real estate transactions](#) without understanding the complexity of the fee structure. As a result, they often end up overpaying. Easy eLaw's quoting process offers a free picture of the entire cost of the transaction, ensuring a smooth process for all parties.

Easy eLaw uses a tech-friendly approach to better engage clients through the entire real estate process. Focussing on client experience, they pursue not only the best transaction result but also a stress-free environment for all parties involved. Signing can be performed remotely, allowing buyers and sellers to complete a sale without attending a closing session.

Always accessible at [EASYELAW.CA](https://www.easylaw.ca), they can also be reached by calling 1-306-694-4922. Easy eLaw is excited to bring their services online in Moose Jaw.

TALON REGENT SAYS: "Our team is proud of the value we provide to our clients. If you get a lower quote from any other firm in the province, we will beat it by 10%. That is our lowest-price guarantee!"
