

Elder Mobility Now Offers Free Shipping for Mobility and Home Care Equipment

Henderson, NV – Elder Mobility is excited to announce that it now offers free shipping for its mobility and home care equipment. Elder Mobility is an Ecom brand that sells stair lifts, power wheelchairs, mobility scooters, and furniture that empowers the lives of elderly people across the United States. The mobility products can improve the day-to-day lives of the elderly and make movement much easier and more convenient for them. These products can significantly improve their quality of life.

Elder Mobility now offers free shipping which makes it easier for more people to get their mobility products shipped across the USA. Customers who are looking for high-quality power wheelchairs can choose between the folding, detachable, and airline-approved wheelchairs available on the website. In addition to this, Elder Mobility also has excellent mobility scooters that are the best on the market. Customers can choose from folding mobility scooters to detachable ones, all-terrain, airline-approved scooters.

Elder Mobility has a wide range of furniture that is highly beneficial for elderly people who may be losing their mobility. This includes adjustable beds, lift chairs, and unique bed frames. Customers also have many financing options that enable them to make affordable monthly payments and installments that don't affect their credit when they make a purchase. In partnership with Pay Tomorrow, customers can sign up for a 6-month, 12-month, 18 month, or 24-month payment program so that they can afford to buy the mobility products needed. Elderly people can greatly benefit from products that make their day-to-day lives easier, more comfortable, and less complicated. Elder Mobility knows this and prides itself in providing some of the best mobility products on the market.

The mobility scooters range between \$1600-\$5000 depending on the design and the type of mobility scooter. The power wheelchairs are also within that similar range with some costing up to \$9000 with excellent financing options available as well. Elder Mobility is committed to providing the lowest possible prices for its customers and it also offers a 100% price match guarantee. Customers who find a lower price for a product like the FreeRider mobility scooters can let the company know within 30 days of their purchase. In the event that a customer purchases a product and that price reduces within three months of their purchase date then they can get a refund of the difference.

The company is dedicated to providing high-quality products at the lowest prices on the market, which is very beneficial for customers who want minimal cost and excellent quality mobility products. Elder Mobility has collaborated with several high-quality brands across the United States that offer some of the very best mobility products on the market. This includes Free Rider USA, Journey, Shoprider, ComfyGo, Tzora, and AmeriGlide.
