Rollwlak eRW3 electric roller skate product details

The rollwalk [electric skates](#) have a powerful 300W motor with a peak power 400W and a torque of up to 3.2N.M. It has the highest level of performance and speed.

It delivers superior acceleration and speed, allowing users to conquer any terrain easily.

With a maximum incline of 20°, this revolutionary electric roller skate enables skaters to take on challenging ascents and experience the thrill of conquering new heights.

Powerful Performance, Exceptional Range

A Samsung 18650 battery pack drives the eRW3 electric roller skates and ranges up to 13.7 miles (22 kilometers) on a single charge.

Whether exploring city streets, gliding through the park, or commuting to and from work, the eRW3 ensures you can enjoy long hours of gliding without worrying about running out of power.

Unparalleled Control and Safety

Safety is a top priority for ROLLWALK.

The eRW3 has cutting-edge control and safety features to enhance the gliding experience.

The responsive control system allows skaters to adjust speed, ensuring precise control and maneuverability effortlessly.

In addition, the eRW3 features an advanced braking system that delivers reliable, instant braking power, allowing skaters to move confidently through crowds.

Crafted for Comfort and Style

ROLLWALK understands the importance of comfort when skating for long periods.

The eRW3 motorized roller skates are designed with ergonomics in mind, giving the user optimal support and stability.

The high-grade comfort materials used in the construction minimize friction.

And the magnetic snap closure and elastic Velcro closure system ensure a secure and comfortable wearing experience.

The eRW3 also boasts a sleek and modern design.

Join the Personal Electric Transportation Revolution

ROLLWALK invites rollerbladers, thrill seekers, and adventure enthusiasts to join the revolution. Experience the future of personal e-mobility with the eRW3.

With its powerful performance, long range, and unmatched maneuverability, the eRW3 electric roller skate will redefine personal commuting with passion, freedom, and style.

Availability and Price

The eRW3 electric roller skates are now available for pre-order on the official ROLLWALK website (www.rollwalk.com). Order a pair today and be the first to experience the thrill of the eRW3. The eRW3 is priced at \$499 per pair and will begin shipping on 7/18/2023.
