

47Billion is Strengthening its Academia Association with Medicaps University to Upskill the Future Talent

INDORE, MADHYA PRADESH, INDIA, July 13, 2023 /EINPresswire.com/ -- [47Billion](#) announces the establishment of "Centre of Excellence (COE)" in collaboration with the [Medicaps University](#). The major objective of this initiative is to provide industrial technical exposure to the students so that students can be upskilled and highly employable.

47Billion will collaborate with the university's ecosystem to develop innovative technologies, thought leadership, and assets to help students understand the industry before entering the professional world. These joint efforts are designed to harness the power of technology and enhance students' capabilities.

“

We are delighted to associate with 47Billion for the innovative approach of building next-gen professionals.”

Chancellor of Medicaps University

As a part of COE, 47Billion is bringing Interactive learning programs, personalized domain-specific mentorship, and student and industry collaboration.

The specific functions of COE are industry knowledge sharing by experts to academia on the latest technology trends, in-depth classroom lectures with the collaboration of professors on specific subjects like project management, [data analytics](#), and machine learning, internship

opportunities for 3rd-year students, and job opportunities for 4th-year students, organize hackathons which are open to students within outside colleges, hardware, and software resources for designated 47Billion Innovation Lab set up in the campus.

This strategic collaboration model is aimed to benefit all the stakeholders equally. The institute
