BRUGGE, WEST-VLAANDEREN, BELGIUM, July 13, 2023 /EINPresswire.com/ -- Belgian publisher and retailer Olleke has released the cookbook Happy Potter by Olivier Van Gierdeghom. The cookbook contains 88 plant-based and dairy-free recipes wrapped in a nostalgic design that will appeal to both beginners and experts.

Brugge, West-Vlaanderen, Belgium, 13th Jul 2023, King NewsWire – Author Olivier Van Gierdeghom: 'This book is about food from the magical world of witches and wizards. Herbs, vegetables, grains, fruits and plants play a central role. This book consists mainly of Mediterranean and Eastern dishes that keep your body healthy and is packed with herbs, which most Western diseases hate. I started my plant-based journey 7 years ago and these recipes are my collective results. Each dish is photographed and linked to an iconic film or series. The book is designed with vintage ephemera elements and quirky illustrations of fantastic beasts and magical objects. I hope it will inspire wizards and witches around the world.'
