

Tarps Now® Releases its Ultimate Guide to Industrial Curtains

Company Issues tips and guidelines for using Industrial Curtains

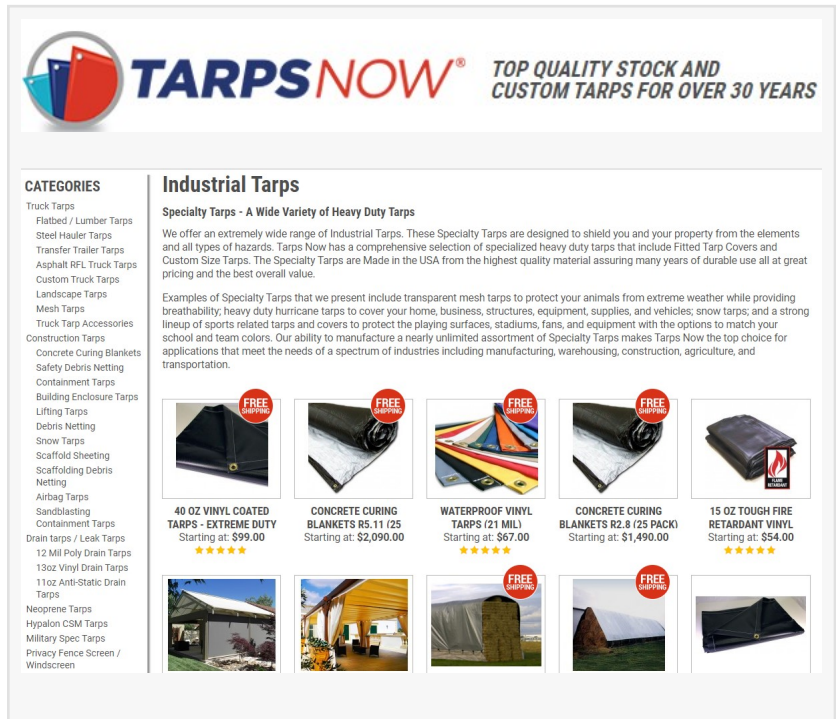

ST. JOSEPH, MICHIGAN, UNITED STATES, July 13, 2023

/EINPresswire.com/ -- Tarps Now® is pleased to announce the release of its “Ultimate Guide to [Industrial Curtains](#)”. This guide provides tips on energy saving, sound dampening, physical barriers useful in a variety of ways. Use of this guide can help improve business performance, lower utility cost(s) and maximize workplace safety, as well as improving employee comfort and morale through a more manageable workspace.

Industrial Curtains are available in various shapes, grades, sizes, and materials. One commonly used type is the Clear Vinyl Curtain, which is ideal for high-traffic areas like doorways and loading docks. These curtains are also frequently employed in industrial partitions to create barriers between different areas. Clear Vinyl Curtains have clear views, are durable, and easy to clean, making them suitable for diverse settings.

Noting the flexible nature of the materials used to engineer industrial curtains, they are designed for long lasting durability, and are tough enough to withstand the rigors of the most common environmental hazards associated with warehousing, receiving, and factory-style workplace uses. While many applications are traditionally found in industrial environments, these types of curtains are a viable solution for a wide range of needs. Schools, restaurants, and retail establishments are also examples of non-industrial entities which can derive several key benefits of industrial curtains that help in:

□Confining dust, mist, smoke or sparks

The screenshot displays the Tarps Now website. At the top, the logo features a stylized red and blue tarp icon next to the text "TARPS NOW®". To the right of the logo, it states "TOP QUALITY STOCK AND CUSTOM TARPS FOR OVER 30 YEARS". Below the header, there is a "CATEGORIES" list on the left, including Truck Tarps, Flatbed / Lumber Tarps, Steel Hauler Tarps, Transfer Trailer Tarps, Asphalt RFL Truck Tarps, Custom Truck Tarps, Landscape Tarps, Mesh Tarps, Truck Tarp Accessories, Construction Tarps, Concrete Curing Blankets, Safety Debris Netting, Containment Tarps, Building Enclosure Tarps, Lifting Tarps, Debris Netting, Snow Tarps, Scaffold Sheeting, Scaffolding Debris Netting, Airbag Tarps, Sandblasting Containment Tarps, Drain tarps / Leak Tarps, 12 Mil Poly Drain Tarps, 13oz Vinyl Drain Tarps, 11oz Anti-Static Drain Tarps, Neoprene Tarps, Hypalon CSM Tarps, Military Spec Tarps, Privacy Fence Screen / Windscreens, and Industrial Tarps.
