

Valiant Praize Productions Unleashes the Power of Rhythm to Invigorate the Music Industry

UNITED STATES, July 13, 2023

/EINPresswire.com/ -- Valiant Praize Productions LLC, a dynamic entertainment company based in Southfield, Michigan, is set to transform the music industry through its distinctive focus on rhythm and rap music, designed to build communities and inspire positive change. The company, founded by John Valiant Boyd, is committed to providing fun and engaging ways to create connections through music and promoting mental health and well-being.

Valiant Praize Productions distinguishes itself as a hub for creativity, innovation, and entrepreneurship. Passionately believing in the power of music as more than just a commodity, but as a catalyst for change and self-expression, the company combines history and tradition with contemporary music experiences, such as with their flagship "Interactive Rhythm Project Summa Drumma 23."

John Valiant Boyd, an independent artist with Michigan roots, has facilitated drum circles and performed on stages alongside national recording artists. As an expert in nurturing the music scene in the

greater Detroit area for over 12 years, he has developed innovative ways for people to collaboratively enjoy music.

To further support their mission, Valiant Praize Productions offers a free introductory course called "Rhythmic Roots" on their website, [VpraiseMusic.com](https://vpraise.com), taking visitors on an immersive journey into the history of Djembe Drums and providing helpful warmups and exercises. Moreover, the website enables visitors to access Valiant Praize's mission of purpose, power and passion with links to YouTube™, social media, and Spotify™.

Founder John Valiant Boyd quotes from Matthew 5:16, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." This verse serves as an inspiration for Valiant Praize Productions, driving the company's vision to create an impact through music.

Those interested in joining this musical revolution are encouraged to visit [Vprazemusic.com](https://vprazemusic.com). Upon taking the free Rhythm course, participants will be among the first to experience Summa Drumma and the Power Hour Jam Sessions, allowing them to play along in live or virtual events and become part of a significant community of empowered musicians.
