Collaborates with Ramsey Solutions to

Deliver Transformative Money

Management Education to Local High Schools.

Watkins Construction & Roofing is excited to announce it is sponsoring the Foundations in Personal Finance curriculum for Madison Central, Jackson Academy, and Terry High School. This program, created by Ramsey Solutions, teaches important skills like saving money, budgeting wisely, investing for the future, and understanding college costs.

“

It's important to help our community by helping our young people learn about money. We're working with Ramsey Solutions to bring this top-notch personal finance program to local high schools.”

“We think it's really important to help our community, and one great way is by helping our young people learn about money,” said the CEO of Watkins Construction & Roofing. “We're working with Ramsey Solutions to bring this top-notch personal finance program to Madison Central, Jackson Academy, and Terry High School.”

Foundations in Personal Finance from Ramsey Solutions is

known all over the country for helping young people learn about money in a way that makes sense. It teaches students what they need to know to make good financial choices as they grow older.

But this is more than just a curriculum — it's about empowerment. It's about breaking the cycle

of debt and financial uncertainty that many families face and paving the way for a generation of informed, financially independent individuals who understand the value of money and the significance of managing it wisely. It's about setting up our young people for success and showing them that with the right knowledge, they can build a future where they're in charge, not the banks or credit card companies.

Watkins Construction & Roofing is more than just a premier construction and roofing company based in [Jackson, MS](#). It's a community pillar with a dedication to service that extends beyond buildings and into the very fabric of our society.

Recognized for its unwavering commitment to quality and a deep-rooted passion for community involvement, Watkins Construction & Roofing is not just [building roofs](#); it's building futures. The company continually seeks opportunities to give back, not just in monetary contributions but in initiatives that create lasting, impactful change in the local area.
