

Country Life® Vitamins Debuts MAXI-HAIR® 50+ to Support Healthy Hair Structure*

New supplement focuses on hair, skin and nail health for aging population

HAUPPAUGE, NY, UNITED STATES, July 19, 2023 /EINPresswire.com/ -- With one in six Americans over 65, according to a 2022 US Administration on Aging(1) report, Country Life® Vitamins is committed to providing solutions for this growing demographic. The leading provider of nutritional vitamins and supplements is introducing [MAXI-HAIR® 50+](#), a proprietary dietary supplement formulated to support aging concerns and promote healthy hair from the inside out. Containing clinically studied Cynatine® HNS soluble keratin, along with essential vitamins and minerals, MAXI-HAIR® 50+ is designed to enhance the strength, structure, and growth of mature hair.*

Hair requires special attention and nourishment during the aging process. MAXI-HAIR® 50+ is specifically crafted to address the unique needs of mature hair, providing a specific blend of nutrients to support its health and vitality. Country Life's MAXI-HAIR® 50+ formula features clinically studied

Cynatine® HNS soluble keratin with essential vitamins and minerals, a combination of ingredients known for improving the strength and structure of hair in mature individuals. This soluble keratin compound, combined with an array of vitamins and minerals, offers a multitude of

Country Life Vitamins MAXI-HAIR® 50+

Country Life Vitamins - For All Life's Stages

benefits, including:*

- Reduction in age-related hair loss
- Less shedding
- Support for healthy hair growth
- Promotion of keratin formation, the building block of healthy hair

"At Country Life, we believe that everyone deserves the benefits of healthy hair, even more so as we age," says Sharon Paguio, senior director of marketing for the Country Life brand. "That's why we've developed MAXI-HAIR® 50+ to support hair, skin, and nails with essential nutrients. Our formula includes 2,500 mcg of biotin, a key nutrient needed for the production of keratin, which is vital for maintaining healthy hair, skin, and nails. MAXI-HAIR® 50+ is also certified vegetarian and gluten-free to meet the needs of a wide range of consumers," she adds.*
