

# SwanScout Launches New 3-in-1 Foldable Charging Station for Samsung

*SwanScout's New Foldable Charging Station: Fast, Convenient, and Portable*

HONGKONG, CHINA, July 17, 2023 /EINPresswire.com/ -- [SwanScout](#) announced the launch of its new 3-in-1 [Foldable Charging Station for Samsung](#). The new charging station is a sleek, compact, and foldable design that is for bedside or travel. It features rapid 25W charging, a sleep-friendly digital clock, and simultaneous 3-device charging.

The 3-in-1 Foldable Charging Station for Samsung is compatible with a wide range of Samsung devices, including smartphones, smartwatches, and earbuds. It also features case-friendly charging, so devices can be charged without removing their cases.

"We are excited to launch our new 3-in-1 Foldable Charging Station for Samsung," said Julian Lee, CEO of SwanScout. "This new charging station is the way to keep devices charged and ready to go, no matter where you are."

The 3-in-1 Foldable Charging Station for Samsung is available now for purchase on the [SwanScout website](#).

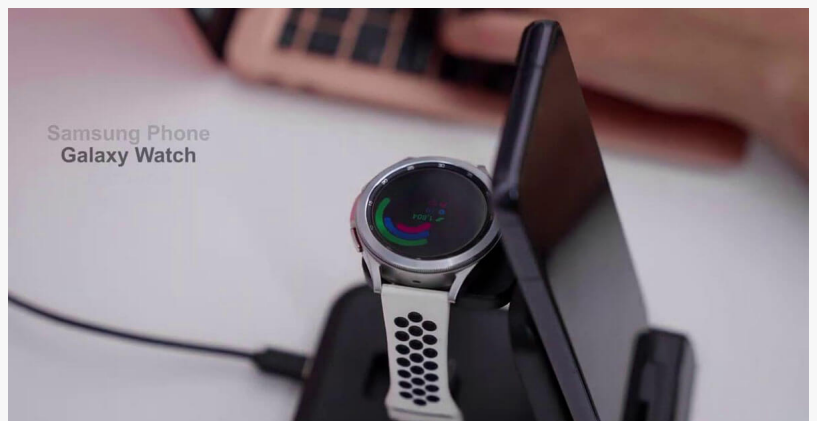

Key Features:

3-in-1-Foldable-Charging-Station-for-Samsung

Samsung-3-in-1-Foldable-Charging-Station-for

Samsung-3-in-1-Foldable-Charging-Station

- Sleek, compact, and foldable design: The charging station is 5.28 x 3.35 x 0.87 inches and weighs 140g, making it easy to transport and store. The foldable design makes it even more compact, so it can be conveniently carried while traveling.
- Rapid 25W charging: The charging station can quickly charge devices, thanks to its 25W fast charging capabilities. This allows one to restore their phone to full power in a short amount of time.
- Sleep-friendly digital clock: The charging station features a built-in digital clock that is easy to read, even in the dark. The clock offers four levels of brightness, allowing for personalized adjustments according to preference.
- Simultaneous 3-device charging: The charging station has the ability to charge up to three devices simultaneously, enabling the user to keep all of their devices powered up. This is perfect for people who have multiple devices that they need to keep charged.
- Case-friendly charging: The charging station is compatible with most phone cases, so there's no need to remove the phone case for charging purposes. This offers a significant advantage, particularly for individuals with a thick or bulky case.

#### Benefits:

The 3-in-1 Foldable Charging Station for Samsung offers a number of benefits, including:

- Convenience: The charging station is easy to use and transport, making it perfect for bedside or travel.
- Speed: The charging station enables fast charging of devices, ensuring a prompt return to the tasks.
- Safety: The charging station is designed to be safe for use, with a number of safety features in place.
- Compatibility: The charging station is designed to be compatible with a variety of Samsung devices, allowing for the convenient charging of multiple devices in a single location.

#### Applications:

The 3-in-1 Foldable Charging Station for Samsung can be used in a variety of applications, including:

- Bedside: The charging station can be used to charge phone, smartwatch, and earbuds at night.
- Travel: The charging station can be used to charge devices while traveling.
- Home office: The charging station enables device charging during remote work.

#### Conclusion:

The 3-in-1 Foldable Charging Station for Samsung is a versatile and convenient charging station

that is good for people who have multiple devices that they need to keep charged. The charging station is available now for purchase on the SwanScout website.
