

Prepared with a strong emphasis on transparency, the report meticulously examines the one-year performance of Digipay from April 2022 to March 2023. The main themes and key questions are as follows:

Digipay Releases Third Annual Report

- Position of the FinTech industry in Iran, the region, and the world

- Behavioral patterns of users utilizing Digipay services as a financial technology provider
- Usage trends of Digipay users for credit services and installment purchases
- Evolution of users' perspectives on concepts such as credit services, credit scoring, repayment, credit history, and digital footprint
- Performance of new Digipay services introduced in 2022
- Support operations provided to Digipay users in the past year
- Corporate social responsibility initiatives and events undertaken by Digipay in the previous year

Discover Digipay's most notable achievements in the full version of the report.
