Highlights

Our revolutionary 3-in-1 Foldable Wireless Charger embodies our commitment to innovation and customer satisfaction."

Shire Stewart

- Sleek Bedside Charger: Sleek and space-saving, the bedside companion with a compact, foldable design.
- Sleep-Friendly Digital Clock: 4-level brightness for a restful sleep and clear time display.
- Case-Friendly Charging: The charging station is a convenient way to charge devices with cases on.
- Wireless 3-in-1 Charging: Charge the Samsung Galaxy Phone, Watch, and Buds wirelessly all at once.

- 16W Fast Charging for Samsung Devices: Charge smart mobile devices quickly and wirelessly with the high-speed 16W charger.

Introducing the SwanScout 3 in 1 Foldable Wireless Charger for Samsung, a sleek bedside companion designed to enhance the charging experience. With its compact and foldable design, it fits seamlessly into any space, offering a stylish minimalist look for the bedside. Messy cables

and cluttered charging stations are a thing of the past. The SwanScout charger brings elegance and functionality to the charging routine.

The heart of the SwanScout 3-in-1 Foldable Wireless Charger is its sleep-friendly digital clock. With four levels of brightness, the display can be easily adjusted to suit one's preference and ensure a restful sleep while still having a clear time reference whenever needed. Goodbye to bright, distracting clocks that disrupt sleep.

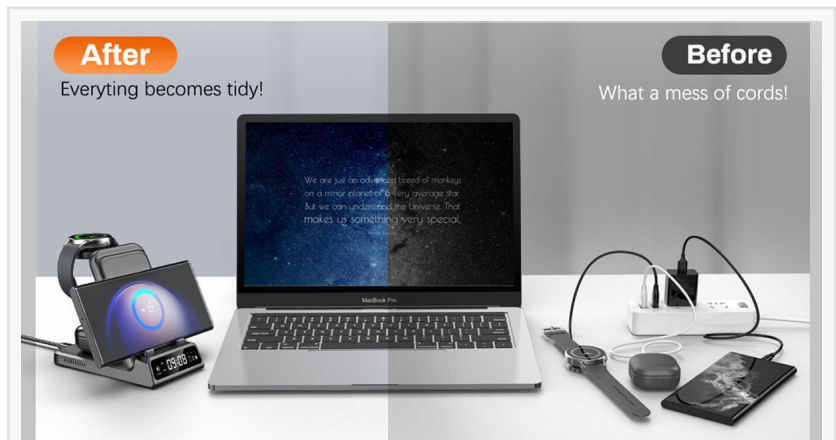

One of the standout features of the SwanScout 3-in-1 Foldable Wireless Charger is its case-friendly charging capability. Devices can be effortlessly charged without the need to remove cases, providing ultimate convenience and saving valuable time. No more hassle of constantly taking off and putting on phone, watch, or earbud cases.

Embracing the latest wireless technology, the SwanScout charger enables users to charge their Samsung Galaxy Phone, Watch, and Buds wirelessly, all at once. Say goodbye to the clutter of multiple charging cables and enjoy the convenience of a single, streamlined solution. Streamlining one's charging routine has never been easier.

With its high-speed 16W charger, the SwanScout 3-in-1 Foldable Wireless Charger delivers lightning-fast charging for Samsung devices. Goodbye to long waiting times and hello to rapid, efficient charging. The power output specifications are as follows: Phone - 10W, Galaxy Watch - 2.5W, Buds - 3.5W.

SwanScout prioritizes safety, and the 3-in-1 Foldable Wireless Charger is no exception. It comes equipped with multiple safety protections, including overheating, overvoltage, overcharge, and foreign body detection. Users can trust SwanScout to keep their devices and their charging experience secure.

The SwanScout 3-in-1 Foldable Wireless Charger is designed to be compatible with various accessories, such as Popsockets, Otterbox phone cases, magnets pads, metal rings, and credit

cards. Users can enjoy the convenience of charging without compromising on the functionality of their favorite accessories.

In the box, users will find the SwanScout 3-in-1 foldable wireless charger, a QC 3.0 adapter, a USB-C charging cable, a quick start guide, and a 12-month warranty. For the best charging experience, it is recommended to use the original SwanScout charging cable and plug.

Compatibility is a key factor for SwanScout, and the 3-in-1 Foldable Wireless Charger is compatible with a wide range of Samsung Galaxy devices, including the latest models such as the Samsung Galaxy S23, S22, S21, S20, Note 20, Z Flip 3, Z Fold 3, and various Galaxy Watch and Buds models. Please refer to the compatibility list provided for a detailed overview.

To ensure optimal charging performance, it is essential to follow the correct operation sequence. Start by connecting the power supply to the charging station, then plug it into one's mobile phone, and finally connect any other electronic devices. Following this order will enable fast and efficient charging with the SwanScout 3-in-1 Foldable Wireless Charger.

The SwanScout 3-in-1 Foldable Wireless Charger features a built-in battery that powers the time display when not connected to a power source. Please note that the time will reset to its factory setting when the power runs out, requiring a manual reset.

As part of its smart energy-saving feature, the SwanScout charger automatically turns off the time display after 10 minutes of no connection to the power supply. This ensures optimal power usage and prolongs the battery life of the charger.

SwanScout is committed to delivering innovative and reliable charging solutions that meet the evolving needs of consumers. The 3-in-1 Foldable Wireless Charger represents a major milestone for SwanScout, reaffirming its dedication to providing cutting-edge products that enhance the charging experience for Samsung Galaxy users.

"We are excited to unveil the SwanScout 3-in-1 Foldable Wireless Charger, a product that embodies our commitment to innovation and customer satisfaction," said Shire, OD at SwanScout. "This revolutionary charger will transform the way Samsung Galaxy users power their devices, offering unparalleled convenience, style, and speed. We are confident that it will make a significant impact in the industry and become an essential companion for our customers."

With a strong track record of delivering exceptional charging solutions, SwanScout has established itself as a trusted leader in the industry. Their dedication to quality, reliability, and customer satisfaction has earned them a loyal customer base and numerous accolades.

The SwanScout 3-in-1 Foldable Wireless Charger sets a new standard for excellence in the charging industry. It combines sleek design, multiple charging capabilities, and advanced

features to offer a transformative charging experience for Samsung Galaxy users. Embrace the future of charging with SwanScout.
