We are delighted to have Veracyte on board as the Silver Sponsor for the Next-Gen Immuno Oncology Conference.

Veracyte is a pioneering, global diagnostics company that improves patient care by answering important clinical questions to inform diagnosis and treatment decisions. Our growing menu of advanced diagnostic tests helps patients avoid risky, costly procedures and interventions, and accelerate time to appropriate treatment. Veracyte offers customized multi-omics tools and expertise to our biopharmaceutical partners, helping them advance their therapeutic discovery, development and commercialization programs.

As a Silver Sponsor, Veracyte will have prominent branding and recognition throughout the conference. Veracyte will also have the opportunity to showcase its cutting-edge solutions and engage with key stakeholders in the immuno oncology industry.

ANGLE, a leading medical technology company, and Revvity, a renowned provider of digital

healthcare solutions, have joined us as Speaking Sponsors. ANGLE is a liquid biopsy company focused on the enrichment and analysis of circulating tumour cells (CTCs) from patient blood to enable non-invasive biomarker testing. Our patented Parsortix® system (RUO) captures a broad range of CTCs, including mesenchymal CTCs, and clusters.

ANGLE has GCLP laboratories in the UK and the US offering comprehensive BioPharma CTC enrichment and analysis services. ANGLE's highly experienced assay development team would welcome discussing your clinical study biomarker requirements.

Revvity, at Revvity, "impossible" is inspiration, and "can't be done" is a call to action. Revvity provides health science solutions, technologies, expertise, and services that deliver complete workflows from discovery to development, and diagnosis to cure. Revvity is revolutionizing what's possible in healthcare, with specialized focus areas in translational multi-omics technologies, biomarker identification, imaging, prediction, screening, detection and diagnosis, informatics and more. With 2022 revenue of more than \$3 billion and over 11,000 employees, Revvity serves customers across pharmaceutical and biotech, diagnostic labs, academia, and governments. It is part of the S&P 500 index and has customers in more than 190 countries. The company was previously affiliated with PerkinElmer, Inc.
