Coddies footwear is all about standing out from the crowd and making people happy. We're delighted to see another fan of our Fish Flip Flops - I'm sure Hunter will go far on Too Hot to Handle!”

The eye-catching shoes immediately caught the attention of the other contestants, who called them “unique”. In a cutaway scene, Hunter confessed the shoes to be his “secret weapon”, adding: “you wear these - instant lay.”

This is not the first time the brand has been featured on TV; last year Love Island contestant Luca Bish wore his trusty Fish Flip Flops on screen, giving the footwear a further boost in popularity. This year, it's Too Hot to Handle's Hunter LoNigro, a 24-year-old social media influencer from Arizona, USA, who is bringing the iconic footwear to the small screen.

Coddies founder Jack Bennet said of the latest TV feature: “Coddies footwear is all about standing out from the crowd and making people happy. We're delighted to see another fan of our Fish Flip Flops - I'm sure Hunter will go far on Too Hot to Handle!”
