CINCINNATI, OHIO, UNITED STATES, July 18, 2023 /EINPresswire.com/ --

Benchmark Gensuite®, provider of the industry-leading platform of digital [Environmental Health & Safety & Sustainability solutions](#), has been recognized as a Leader among ESG platform vendors in the newly released Green Quadrant: ESG Reporting and Data Management Software research report and competitive evaluation from independent research firm Verdantix.

Verdantix, a research and advisory firm that acts as an essential thought leader for world-enhancing innovation, offers the Green Quadrant report as a valuable resource for companies seeking to evaluate and compare ESG reporting and data management software vendors. The rigorous analysis conducted by Verdantix included a comprehensive 115-point questionnaire, two-hour live demonstrations by suppliers, and interviews with existing ESG software customers, spanning fields that included construction, consumer goods, financial services, manufacturing, oil and gas, mining, transportation, and technology.

Benchmark Gensuite was categorized as a Leader in the ESG sector by Verdantix, offering “a comprehensive and collaborative sustainability platform.” The analysis highlighted Benchmark Gensuite’s strength in ESG and Sustainability performance management and engagement tools. Verdantix recommends Benchmark Gensuite for global enterprise and mid-market firms looking for a customizable solution and industrial organizations looking for an integrated solution to

drive ESG and EHS decision-making.

“We’re extremely proud of our placement as a Leader in Verdantix’s Green Quadrant report, a testament to the engagement from the Sustainability and ESG practitioners in our subscribers’ community who have helped us shape these solutions,” said Amanda Petzinger, Associate VP, Sustainability, Stewardship, Supply Chain & ESG Solutions, Benchmark Gensuite. “We look forward to continuing to innovate and evolve our comprehensive sustainability platform to enable companies to meet and exceed their sustainable business goals.”
