

Avamere at Oak Park Earns Deficiency-Free State Survey

Avamere at Oak Park, an assisted living community in Roseburg, Oregon, earned a deficiency-free state survey.

ROSEBURG, OREGON, UNITED STATES, July 19, 2023 /EINPresswire.com/ -- [Avamere at Oak Park](#), an assisted living community in Roseburg, Oregon, earned a deficiency-free state survey during an evaluation on July 12 and 13, 2023.

The survey is an on-site inspection conducted by the Department of Human Services based on guidelines outlined by the Centers for Medicare & Medicaid Services. It examines resident

quality of care and quality of life, dietary services, fire safety, and environmental services. The examination includes interviews with residents, residents' family members, and employees.

Avamere at Oak Park's Executive Director Debbie Vick shared that believing in their systems, following through, and working together towards the same outcomes contributed to earning a top score.

It truly takes a team to run a building. I thank my team every day for what they do."

"It truly takes a team to run a building," Debbie stated. "I thank my team every day for what they do."

Debbie added that her employees have proved she has the right people serving the residents and family members of

Avamere at Oak Park.

This senior living community's commitment extends beyond maintaining high quality care and safety standards. They also love to have fun and serve the local Rosewood community! Recently, they raised \$185 for the Alzheimer's Association during a fun pie activity, which they support

each year and regularly hold fundraisers for. Follow Avamere at Oak Park on [Facebook](#) to keep up with more exciting happenings.
