Tampa law firm offers free, no-obligation case reviews for rideshare accident victims in the Tampa area.

TAMPA, FL, USA, July 18, 2023

/EINPresswire.com/ -- As Uber, Lyft, and other rideshare services continue to grow in popularity, so, too, does the frequency of accidents associated with these platforms. In 2018, data indicates there was a 3% increase in nationwide traffic fatalities linked to rideshare services. RTRLAW, a leading full-service law firm with offices across Florida and Texas, is intensifying its efforts to help [rideshare accident victims in Tampa, Florida](#).

While ridesharing companies provide unrivaled convenience, they can be quite difficult to navigate when seeking compensation for your injuries after being involved in a rideshare vehicle accident.

With more than three decades of experience, RTRLAW has been staunchly committed to protecting the rights of injured auto accident victims, including those involved in rideshare accidents. Today, the firm announces its expanded focus on assisting victims of Uber, Lyft, and other rideshare accidents.

“

We understand the challenges injured victims face following a rideshare accident – medical bills, loss of income, and pain and suffering.”
