

BankNews.com is banking, fintech news hub

BankNews.com is the site to visit for investors of the country's largest banks, community banks and fintechs.

EDEN PRAIRIE, MN, UNITED STATES, July 18, 2023

/EINPresswire.com/ -- Investors, financial services

consumers, academics, journalists and banking industry news junkies have a new internet home for following developments among the nation's largest banks, financial technology companies (fintechs) and community banks: BankNews.com provides news directly from the source.

This thoughtfully curated, intuitively organized news page offers hundreds of stories about developments at any of our nation's mega banks, as well as smaller community banks. In addition, the site provides news about the financial industry's most innovative and active fintechs.

“

Updated multiple times every business day, the site provides a steady stream of news and information.”

BankNews.com

Updated multiple times every business day, the site provides a steady stream of news and information. Anyone who relies on current information from the financial industry will want to visit BankNews.com every day. This is

a site that financial news hounds will bookmark and come back to day after day, every morning and evening.

BankNews.com is produced by [NFR Communications, Inc.](#), a digital and print media company specializing in financial news and information. Publishing products that have been around since 1894, NFR Communications utilizes its extensive financial reporting acumen to curate a useful and meaningful web experience based in financial industry news. At BankNews.com you will find stories about key personnel changes at commercial banks and fintechs, M&A news, articles on credit conditions, regulatory developments and market trends.

You will also find information on branching, retail banking, deposit gathering strategies, and investment portfolios. BankNews.com also keeps an eye on loan markets for commercial real estate, mortgages and HELOCs, small businesses and municipalities. Fintech coverage includes stories related to cryptocurrencies, payments, venture capital, and the digitization of our economy. All stories are easily accessible with one or two clicks, and if you want to re-read something that appeared weeks ago, use the site's handy search engine to find the article quickly.

BankNews.com is a free service. There's no log-in required, no information requested or password to remember. BankNews.com is designed to make it easy for people to access the most timely and relevant news aggregated from our nation's largest banks, community banks

and fintechs. For more information, contact info@banknews.com. But your best bet is simply to visit

www.BankNews.com
