

EKENNIS SOFTWARE & MYPERFECTPACK LEAD
THE WAY -THE FIRST GLOBAL COMPANY TO
PROVIDE NO MOQ PRINTING AND
PACKAGING COMPANY

Gone are the days when businesses had to worry about huge minimum order quantities, tying up valuable capital and storage space. Myperfectpack solves this issue

BANGALORE, KARNATAKA, INDIA, July 18, 2023
/EINPresswire.com/ -- Ekennis Software Service Limited is a BSE listed reputed renowned name in the technology and software industry, is proud to announce a ground-breaking achievement through its own unit, Myperfectpackhas emerged as the pioneer in providing customized printing and packaging solutions at a global level with no minimum order ([NO MOQ](#)) requirement.

Ekennis is the first ever company listed on the stock exchange in record time, and all board members are women.

This milestone achievement is set to revolutionize the printing and packaging industry and cater to the diverse needs of businesses worldwide.

[Myperfectpack](#) is a cutting-edge unit of Ekennis Software Service Limited, dedicated to offering a wide range of custom-printed pouches, flat pouch, retort, Spout pouch, rigid boxes, labels, flyers, business cards, and other related printing and packaging products.

With its state-of-the-art technology and innovative approach, Myperfectpack empowers businesses of all sizes to obtain tailored and cost-effective printing solutions without being bound by traditional minimum order constraints.

Gone are the days when businesses had to worry about huge minimum order quantities, tying

up valuable capital and storage space. Myperfectpack's breakthrough solution allows companies to order printing and packaging products in quantities that suit their specific needs. Whether a small start-up requiring limited quantities or an established enterprise seeking larger orders, Myperfectpack caters to every requirement with unparalleled flexibility.

"We are thrilled to announce that Myperfectpack has become the first global company to offer no minimum order printing and packaging solutions," said Vikas Sharma, CEO of Ekennis Software Service Limited. "We understand the challenges faced by businesses in the printing and packaging sector, and our aim is to provide a seamless and efficient platform that meets their unique demands. By eliminating the minimum order restrictions, Myperfectpack empowers businesses to scale their operations, minimise waste, and maximise their ROI."

Myperfectpack's user-friendly online platform enables customers to easily upload their designs, preview their products, and place orders with just a few clicks. With a diverse range of materials, finishes, and printing options, clients can create packaging that perfectly reflects their brand identity and captivates their target audience.
