About Bilflo

Bilflo is back-office automation software solution designed to radically increase the efficiency of staffing agencies and Professional Employer Organizations (PEOs). By offering a wide range of features, including mobile-friendly timecards, automated invoicing, and real-time reporting, Bilflo empowers businesses to optimize their operations and focus on growth. Bilflo integrates with applicant tracking systems, payroll providers, and accounting software, eliminating the need to manually enter data in multiple places via Open APIs. Your best tools and processes work together seamlessly.

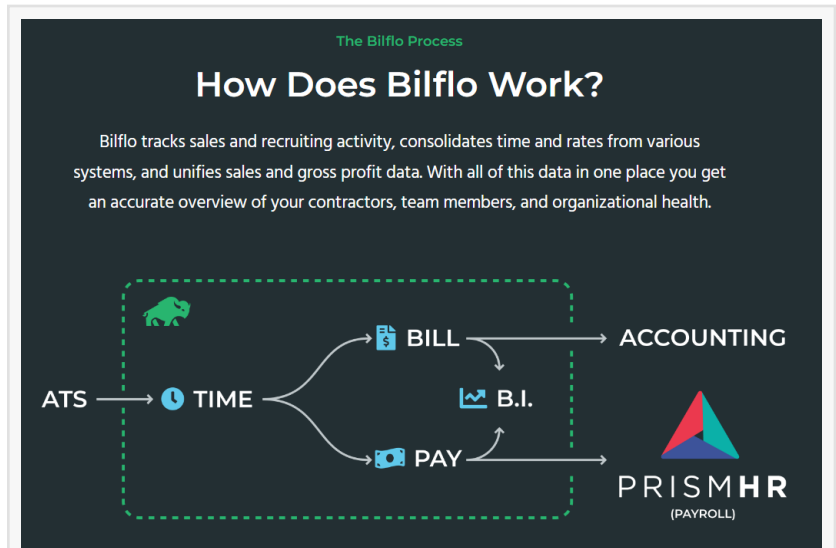

How Bilflo Works

Real-time Reporting

As of the end of 2022, Bilflo had successfully processed $100M in billable invoices, 2.7M billable hours, 29K invoices, and served approximately 5,000 users.
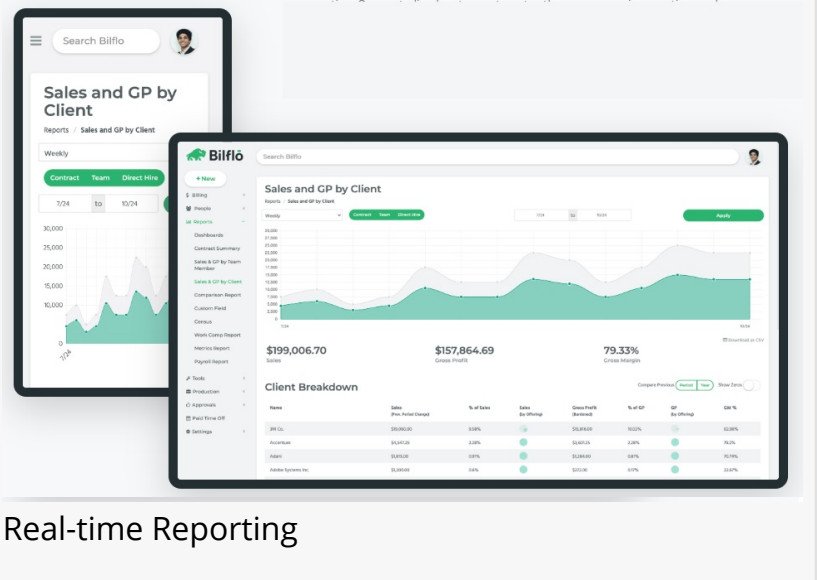

About PrismHR

PrismHR is a leading HR software platform for Professional Employer Organizations (PEOs) and Administrative Services Organizations (ASOs).

Founded in 1985 and based in Massachusetts, it offers a range of services, including payroll processing, benefits administration, HR management, and compliance. Its software helps PEOs and ASOs streamline operations and deliver high-quality service to their clients.

As of 2021, PrismHR served over 88,000 businesses, reaching more than 2.2 million employees.

Additionally, it hosts a marketplace for integration with other top-tier service providers, promoting a comprehensive HR ecosystem.
