Under the terms of the MOU, Crypto Oasis Ventures will support the DIFC Innovation Hub with subject matter expertise for their ongoing and upcoming start-up accelerator programmes. The announcement coincides with Crypto Oasis Ventures official opening of its second office in the DIFC Innovation Hub for its Venture Studio. The move signifies Crypto Oasis Ventures' commitment to expanding its presence in Dubai and further strengthens its position as a key player in the global Blockchain

ecosystem.

"We are thrilled to partner with Dubai International Financial Centre (DIFC), a renowned financial

hub known for its regulatory excellence and commitment to fostering innovation," said Faisal Zaidi, Co-Founder and CMO of Crypto Oasis Ventures. "By establishing our office within the DIFC Innovation Hub, we aim to leverage The Centre's vibrant ecosystem, collaborate with like-minded organizations, and explore new opportunities for growth."

DIFC is a leading global international financial centre that plays a pivotal role in driving economic diversification and innovation in the region. As a strategic partner, DIFC will provide the Crypto Oasis Ventures ecosystem with access to a network of global investors, industry experts, and regulatory resources. This collaboration will facilitate the development of cutting-edge blockchain solutions, positioning Crypto Oasis Ventures at the forefront of the digital transformation in the financial sector.

Mohammad Alblooshi, Chief Executive Officer of DIFC Innovation Hub commented: "The DIFC Innovation hub has a long history of partnering with leading and visionary institutions to enable business growth for our start-up ecosystem. This partnership will bring immense value to start-ups participating in our various accelerator programmes this year who will be able to leverage on Crypto Oasis's expertise to amplify their existing business models."

"We are pleased to see Crypto Oasis expand their presence here in Dubai at the DIFC Innovation hub as they continue to innovate and drive growth in collaboration with our vibrant community of tech and innovation disruptors", he added.

The strategic location of the Crypto Oasis Studio, at DIFC Gate Avenue, will enable Crypto Oasis Ventures to enhance its operations and strengthen its relationships with key stakeholders. By establishing a physical presence within DIFC Innovation Hub, the company aims to attract top talent, collaborate with industry leaders, and forge partnerships that drive Blockchain adoption globally.

About DIFC:

About Dubai International Financial Centre

Dubai International Financial Centre (DIFC) is one of the world's most advanced financial centres, and the leading financial hub for the Middle East, Africa and South Asia (MEASA), which comprises 72 countries with an approximate population of 3 billion and an estimated GDP of USD 8 trillion.

With a close to 20-year track record of facilitating trade and investment flows across the MEASA region, the Centre connects these fast-growing markets with the economies of Asia, Europe and the Americas through Dubai.

DIFC is home to an internationally recognized, independent regulator and a proven judicial system with an English common law framework, as well as the region's largest financial ecosystem of over 36,000 professionals working across over 4,300 active registered companies – making up the largest and most diverse pool of industry talent in the region.

The Centre's vision is to drive the future of finance through cutting-edge technology, innovation, and partnerships. Today, it is the global future of finance and innovation hub offering one of the region's most comprehensive FinTech and venture capital environments, including cost-effective licensing solutions, fit-for-purpose regulation, innovative accelerator programmes, and funding for growth-stage start-ups. Comprising a variety of world-renowned retail and dining venues, a dynamic art and culture scene, residential apartments, hotels and public spaces, DIFC continues to be one of Dubai's most sought-after business and lifestyle destinations.
