

Respected Fintech Authority Tedd Huff to Record Fintech Confidential Show Live at MPC23 August 23-25, 2023, in Atlanta

Join industry leaders at the Westin Atlanta Perimeter North for this live fintech event.

SCOTTSDALE, ARIZONA, USA, July 20, 2023 /EINPresswire.com/ -- MPC: The Digital Commerce Event is thrilled to announce that Tedd Huff, host of the popular Fintech Confidential show, will be recording live from the organization's thirteenth annual conference, to be held Aug. 23-25, 2023, at the Westin Atlanta Perimeter North.

Tedd Huff, a respected fintech veteran with over two decades of experience, is an international consultant, founder of Diamond D3 Media and co-founder of Voalyre. He has been instrumental in helping banks, acquirers, ISOs, merchants, and SaaS businesses navigate the white space to take control of their destinies, event organizers stated.

Marla Ellerman, Executive Director at MPC: The Digital Commerce Event, and publisher of Mobile Marketing and Technology, expressed her excitement about Huff's participation. The "Fintech Confidential tagline says it all. They are all about, "Bringing you the people, tech, and companies that change the way we pay and get paid. I can't wait to see what Tedd has in store for us at MPC23!"

“

This show will be as much about 'fun-tech' as fintech.”

Tedd Huff

In response, Huff thanked Ellerman and her team for the opportunity, stating, "Marla and her team have the right idea – let's light up the stage with people who are changing the world for the better. Fintech doesn't have to be serious and boring. This show will be as much about 'fun-tech' as fintech."

MPC: The Digital Commerce Event

About MPC DIGITAL COMMERCE EVENT

MPC: The Digital Commerce Event is the premier annual conference and exhibition on the future of alternative payments worldwide. Known for bringing together thought leaders, innovators, and decision-makers from financial, technology, government, retail, marketing, and mobile industries to discuss the evolution of the payments industry. Attendees benefit from access to the world's foremost experts in emerging payments and commerce, blockchain and digital currencies, cybersecurity and consumer privacy, customer experience and loyalty, and customer engagement and marketing.
