

# July 25th Price Transparency Webinar to Showcase Cost Estimator Tool Implementation in as Little as 8 Weeks

*Zakipoint Health and PLEXIS Healthcare Systems will introduce a new cost estimator tool for TPAs and Health Plans compliant with Price Transparency rules.*

MEDFORD, OREGON, UNITED STATES, July 19, 2023 /EINPresswire.com/ -- [PLEXIS Healthcare](#)

“

The Zakipoint Health cost estimator tool may be the price transparency compliance solution needed by TPAs and health plans desiring rapid integration with their core claims processing platform.”

*Sean Garrett, COO PLEXIS Healthcare Systems*

[Systems](#), a leading healthcare payer technology company and a “Major Contender” within Everest Group’s “Healthcare Cloud-based Core Administration Platforms PEAK Matrix Assessment 2023, announces an upcoming Price Transparency Compliance webinar on Tuesday, July 25th at 10am PT / 1pm ET. The webinar is produced in partnership with payer technology provider [Zakipoint Health](#) to showcase and explain a new cost estimator tool designed for payers that is compliant with CMS Price Transparency regulations and can be implemented to work with a core claims platform within 8 weeks.

“Our cost estimator tool delivers accuracy and speed to

market with minimal lift by leveraging a payer company’s core claims system and integrations.” said Ramesh Kumar, CEO of Zakipoint Health.

Sean Garrett, COO of PLEXIS Healthcare Systems, serving the healthcare payer space for over 25 years, will speak with Ramesh Kumar, host of “Voices of Self-Funding” podcast and co-founder of Zakipoint Health. Ramesh will share practical tips from his experience launching his cost estimator tool with multiple TPAs, integrating various data elements.

“PLEXIS is proud to partner with Zakipoint Health to present their highly accurate, compliant, and easy to use cost estimator tool capable of implementation within 8 weeks.” Said Sean Garrett.

“We believe that the Zakipoint Health cost estimator tool may be the price transparency compliance solution needed by TPAs and health plans desiring rapid integration with their core claims processing platform.”
