

Ridley Academy Celebrates Remarkable Milestone of 50,000th Masterclass Attendee

UNITED STATES, July 20, 2023 /EINPresswire.com/ -- [Ridley Academy](#), an online learning platform created by musician Stephen Ridley, proudly announces a milestone achievement as it welcomes its 50,000th masterclass attendee. Established with the mission of nurturing and empowering aspiring musicians, Ridley Academy continues to inspire and transform lives through the power of music.

“

I realized that 90% of music theory was unnecessary to learn to play the piano. Now I have students releasing their own albums after just a couple of months.”

“What makes my [Piano Masterclass](#) different is that I don't rely on vast libraries of musical theory. I realized that 90% of music theory was unnecessary to learn to play the piano.” said Stephen Ridley, the visionary behind Ridley Academy. “That's a large part of why my students are learning so quickly. Now I have students releasing their own albums after just a couple of months.”

The 50,000th attendee milestone serves as a testament to the Academy's unwavering commitment to excellence and its ability to provide unparalleled educational experiences to students from all walks of life. To celebrate this momentous occasion, the Academy's founder and esteemed concert pianist, Stephen Ridley, will be conducting another highly anticipated free masterclass, offering a unique opportunity for aspiring pianists to unlock their full potential.

Stephen Ridley, a world-renowned pianist and dedicated mentor, has earned international acclaim for his virtuosity and passion for music. With an illustrious career beginning as a humble street performer, he has graced prestigious concert halls around the globe, selling out venues and performing private events for billionaires and heads of state. Ridley Academy stands as a manifestation of his vision to share his expertise and insights with the next generation of musicians.
