The event showcases pyromusicals – or “concerts in the sky” – which combine various firework sounds, colors and effects meticulously timed down to the 1/100th of a second for complete synchronization with the accompanying soundtracks.

PyroJam is presented by Innovative Pyrotechnic Concepts (IPC), an award-winning Southern Maryland pyrotechnics company that produces more than 200 shows per year ranging from festivals and private events to amusement parks and professional sports teams in the Maryland, Virginia, and Greater DC areas.

IPC partnered with Finale 3D, the world's most advanced fireworks display choreography software company, to host a pre-PyroJam international virtual design competition. Pyrotechnic choreographers submitted their pyromusical designs, and the top three selected finalists will have their shows produced and fired at PyroJam by IPC. A panel of judges will award a total of \$5,000 in cash prizes to the competition winners based upon their show's design originality, artistry, synchronization, and quality.

Musical entertainment includes Live Bands from 3:30 to 7:30 p.m.

PyroJam includes an interactive Kids Zone area from 3 to 7 p.m. A wide variety of food and beverages will be available for purchase at more than 20 food trucks from 3 to 9 p.m.

Proceeds from the event will benefit the Southern Maryland Food Bank, which has served the tri-county area of Southern Maryland since 1983.

Tickets range from \$45 to \$55 per person for general admission and \$160 to \$170 for an all-inclusive VIP ticket. All military personnel receive a 10% ticket discount, and children five and under are free. To purchase tickets or for further information, call (877) 797-6526 or visit PyroJam at www.pyrojamusa.com
