

BareOrganics Superfoods Grows Assortment at Walmart Stores Nationwide!

SCOTTSDALE, ARIZONA, UNITED STATES, July 20, 2023

/EINPresswire.com/ -- [WR Group Consumer Health Brands](#) one of the country's leading global wellness companies, is pleased to announce that its [BareOrganics](#) collection is evolving its partnership with Walmart with the expansion of their Milk Thistle Seed Powder now available in over 2,500 stores across the country.

BareOrganics USDA Organic Milk Thistle

"Walmart has been one of our most innovative retailer partners from the beginning of our launch into the Baking Category. BareOrganics strives to make healthy, high-quality products accessible to families across the US," says Renee Barch-Niles, EVP at WR Group. "Our mission is to continue to evolve the BareOrganics product collection, enabling Walmart customers to have more options for USDA certified organic, highly nutritious, health-conscious superfoods at an affordable price point."

Organic Milk Thistle Seed Powder

Supports liver health already within a normal range, is USDA Certified Organic, Vegan, Non-GMO & Gluten-Free, Keto & Paleo Friendly and Contains Silymarin. Our powdered form of Milk Thistle featuring Silymarin, one of the active ingredients in Milk Thistle, is believed to have potent antioxidant properties, is easy to use, and simple for the body to absorb.

BareOrganics products that have been added to Walmart Baking shelves in the past year include BareOrganics Irish Sea Moss Powder, Goji Berries, Astragalus Root Powder, Coconut Milk Powder, Banana Powder, Pumpkin Protein Powder, and Mushroom Immune Blend Powder. From healthy substitutions to protein-packed, gluten free, vegan, keto and paleo friendly options there are several ways to easily incorporate BareOrganics superfoods into your daily nutrition intake.

"As the world's largest retailer, Walmart continues to provide products that resonate with the health-conscious consumer that demands high quality products at an affordable price," says

Renee Barch-Niles. "Our goal is to make BareOrganics a household staple in homes across the US and partners like Walmart help make our brand easily accessible to consumers across the country."

Select BareOrganics items on shelf range from \$12.99 - \$24.99.
