A Reliable Data Service Provider Called Factstat

They have a team of data entry specialists who are also excellent communicators. It allows them to perform tasks with accuracy, reliability and timeliness (ART). Since they understand each client has unique needs, they allocate enough time for each process step to deliver a custom experience.

“

Outsourced data entry services not only achieve certified accuracy and cost savings but also properly delegate work that a store owner might do and stress over.”

*Cofounder and CEO Jonathan Htet*

At present, they offer three membership plans to fit clients' needs: VIP (40 hours a month), ELITE (80 hours a month) and SAGE (173 hours a month or a full-time equivalent).

“The data age is here. Every physical and online store owner should outsource data entry to achieve certified accuracy and cost savings. Outsourced data entry services properly delegate work that a store owner might do and stress over,” said Cofounder and CEO Jonathan Htet.
