

# SwimRight Academy Hosts Open House Week: Evaluating Water Competency and Promoting Safety

*Dive into Water Safety: SwimRight Academy's Open House Week, Aug 28 - Sep 03, 2023.*

LOS ANGELES, CALIFORNIA, USA, July 21, 2023 /EINPresswire.com/ -- [SwimRight Academy](#), a leading swimming institution committed to water safety and early swim education, is pleased to announce its upcoming Open House Week from August 28 to September 03, 2023. The event aims to assess individuals' water competency while fostering a culture of safety from an early age.

SwimRight Academy's primary goal is to instill confidence in children by equipping them with essential water safety skills from the outset. Early exposure to swimming and water safety education is pivotal in preventing accidents and ensuring a lifetime of aquatic enjoyment.

During the Open House Week, participants of all ages will have the exceptional opportunity to be assessed by our experienced instructors. Complimentary water competency tests will allow individuals and their children to demonstrate their skills and understanding of basic water safety practices. Our instructors will provide personalized recommendations for improvement based on their evaluations.

According to [recent statistics](#), drowning remains a leading cause of accidental deaths, especially among young children. Attending our Open House Week will provide participants with valuable insights into their water competency levels and guidance to enhance their skills and knowledge

*"We have been swimming there for about a year. My kids really enjoy the levels and are motivated by the stickers and getting to ring the bell when they move up a level, they have made great progress. The instructors are fun, outgoing and patient. We love Yesenia and Simeon but everyone we have had is great! I recently had a concern, and when management responded they went above and beyond and provided good customer service."*
