"Kill Hollywood" represents her third consecutive charting single following two successful track premieres, "Blame It on Me" and "Trump's USA".

Cartmill says, "Wow! It's so exhilarating & a great boost as a singer/songwriter to have a song chart well - I'm floatin' back to the Studio to record my new album, 'House of Wheels', in the best frame of mind ever."

Chris Phillips says, "When I first heard Cari's music, what impressed me first was her voice. She is a natural singer/songwriter. She has such a great talent for writing songs with lyrics that tell stories we can relate to and bringing them to life through her recording sessions.
