“

After conducting extensive market research, we set out to create a golf GPS speaker that surpasses all others with its intentional design and engineering.”

Chris Markham, CEO of Blue Tees Golf

“After conducting extensive market research, we set out to create a golf GPS speaker that surpasses all others with its intentional design and engineering. Our goal was to deliver a product that stands out from the competition, and we’re proud to say that the feedback from testers has placed us firmly at the fore-front of the market. There’s simply nothing else like it,” said Chris Markham, CEO of Blue Tees Golf. “We spared no expense in crafting a truly remarkable golf GPS speaker. Our dedication is evident in the incorporation of an optically bonded glass touch screen,

multiple informative screens with access to 40,000+ courses accessible with a simple swipe, and sound quality that rivals the very best speakers in the market.”

The Player+ GPS Speaker combines smart technology with premium audio to create an immersive sound experience. Not only does it serve as a high-quality speaker for music, but it also provides audible distances, thanks to its sleek touch screen display. The Player+ GPS Speaker can be paired with multiple speakers simultaneously, boasts an ultra-strong magnet for easy attachment to any golf cart, includes a built-in USB-C power bank, and is fully IPX7 waterproof.
