EL SEGUNDO, CALIFORNIA, UNITED STATES, July 21, 2023

/EINPresswire.com/ -- Summer Swing Nights is back for the 2023 summer season opening August 4th! Now in its sixth year, the swingafied [music](#) series features a seven-piece band, swing dancing and The Swing Tones. The Swing Tones bring you back to the days of vocal jazz by blending big band sounds and nostalgic tunes of the swing era, with tight vocal harmonies and postmodern twists.

Executive Producer and founder Aaron

Jacobs says this is the ultimate big band experience accessible for all generations of people in Southern California. "We are keeping high quality musical experiences, interactive dance concerts of a former era, alive," Jacobs said. "For me, SSN is the flagship show and a chance to highlight our Swing Tones sound, unadulterated."

This year SSN returns to The Automobile Driving Museum in El Segundo. The big band includes seven vocalists, and seven band members. They will also be joined by The LA Swing Dance Posse, [vintage](#) vendors and local food trucks. SPECIAL GUESTS include: Adrienne Fishe and Patrick Barnitt. The Swing Tones include: Aaron Jacobs, Kira Alvarez, James Morgan, Satoshi Kirisawa, Devyn Kontur, Tiah Gina, Adrian Mustain, Erin Ben-Moche, Susan Quam, Teresa Sanchez, Ira Hill, Chris Hutton, Shiloh June, Lauren Leland, Didier Reyes and more!

Jacobs or The Swing Tones. Jacobs says the experience was difficult but with assistance from the ADM and LA Swing Dance Posse, the team produced several drive-in shows all outdoors. Now that vaccines are easily available and mask mandates have lifted across Southern California, The Swing Tones are back and better than ever. "It's been amazing," Jacobs says. "It's what we've been missing from our lives during the big quarantine. Nothing beats the live music experience, sans auto-tune and synthesized sounds."

Summer Swing Nights 2023

More about the Swing Tones: The Swing Tones debuted at Summer Swing Nights in 2018 at The Automobile Driving Museum in El Segundo with a mission to preserve the legacies of big band and swing music while contemporizing the experience with some modern twists. Highlighting vocal harmonic sounds such as "The Andrews Sisters" and "The Manhattan Transfer," The Swing Tones also take modern tunes and "swingify" them, similar to the popular Postmodern Jukebox.

“

A 13-member big band is one thing...add 7 harmonic jazz vocalists, a dancefloor full of energetic swingers, vintage cars, vendors, food and more, you will be glowing on home from our magical night!"
