

Bacaro opens on 255 Linden st in Old Twon Fort Collins, Co

FORT COLLINS, COLORADO, UNITED STATES, July 22, 2023 /

EINPresswire.com/ -- Bacaro opens on 255 Linden st, Old Downtown Fort Collins, CO, and will have a soft lunch on August the 2nd at 7:30PM with a special "[Champagne Collet Pairing on Linden St](#)" event

Bacaro, terms that comes from the wine sellers in late nineteenth century in Venice from the dialectal term "far bacara", that means celebrating in the name of Bacchus, introduces a new concept of Haute cuisine in Fort Collins.

While inspired by the food served at venetian "osterie" (little tavern where you can drink a nice glass of wine and taste special local nibbles), and of the broader Northern Italy region, Bacaro aims at elevating

guests' experience into a culinary journey, throughout a gastronomy culture understanding. With a variety of "Cicheti" (nibbles) and "Spuncioni" (bites), freshly homemade in house and "specials of the day" dishes, based on the market daily offers, the menu is based on meticulous research of local flavors and scents and paired with Mediterranean savors.

Panayotis Tzinis, the chef and GM of Bacaro states "At Bacaro, you will experience an explosion of flavors at your first bite. The tasting buds will be embraced by the details of the flavors that each dish is made of, and you will be able to distinctively savor each of them harmoniously"

Bacaro is opening 5:30 to 10:30pm Monday to Saturday. Sunday is dedicated to the Wine & Kitchen Lab events and is only upon RSVP. At the Wine & Kitchen Lab, Bacaro's culinary team will showcase special pairing, experimental fusion cuisine, new wines in town, special menus and cooking classes. Tickets for the Sunday's Wine & Kitchen Lab will be announced and sold online.

The Bacaro logo, consisting of the letters "BA" in a dark red serif font, "CA" in a black serif font, and "RO" in a dark red serif font. The "O" in "RO" is stylized with a splatter of red dots.
