MELBOURN, FLORIDA, US, July 24,2023 /EINPresswire.com/ -- SkyMirr, Inc. (<https://www.skymirr.com>), an [RF](#)

[technology](#) startup based in Florida, is proud to announce its partnership with PRIMAX, the world leading component/device manufacturer and recognized for its exceptional industrial design and manufacturing. Together, both companies will create new wireless products to offer to customers globally.

SkyMirr’s CEO, Eric (Youngmin) Jo notes: “We are excited to partner with PRIMAX to both develop our products and work together to bring them to SkyMirr’s and PRIMAX’s customer channels. ”

Jason Hsu, VP&CMB BU Head: “Working with SkyMirr is ideal. We will help develop valuable new wireless products that will please both companies’ customers. SkyMirr’s advanced RF technology solutions improve product performance significantly. Together, we expect these new products will gradually contribute to Primax’s revenue growth. We are an ideal team to make significant, impactful improvements for customers globally.”

About
