

# Military Warriors Supports Combat-Wounded Veterans

SAN ANTONIO, TX, USA, July 25, 2023 /EINPresswire.com/ -- Generous donors and supporters make the mission of Military Warriors Support Foundation's (MWSF) possible. Donations help significantly change the lives of combat-wounded veterans and Gold Star families. Contributions go toward housing, vehicles, and support that are all part of each unique MWSF program. These programs go on to help our heroes in different ways.

Military Warriors Support Foundation's offers support to combat-wounded heroes, [Gold Star spouses](#), and their families. Its programs focus on homeownership, recreational activities, transportation assistance, and leadership development. Generous private and corporate donors have made this vision of helping combat-wounded veterans and their families become a reality. One of the ways Military Warriors Support Foundation generates revenue to support the programs and provide assistance is through the Vehicles4Heroes program.

The Vehicles4Heroes program receives donated cars, trucks, SUVs, motorcycles, boats, ATVs, and even RVs, and then these vehicles are sold at auction. These donations can be in any condition---working, needs minor or major repair, wrecked, or undrivable. Vehicles4Heroes welcomes them all. The money from the auction sale goes directly into the programs Military Warriors Support Foundation offers.

Below is an overview of the programs Military Warriors Support Foundation offers...
