"I am honored to be part of Venture X and to introduce the concept to the greater San Diego area. I am also proud to help make history for the brand by opening the flagship California location," said John Lee, Franchise Owner of Venture X San Diego - Scripps Ranch. "San Diego has an abundance of talent in several key industries, including defense and biotech, but also has a growing tech presence and a vast network of business owners. The community of Scripps Ranch is a microcosm of this, with several industries present and a community that is incredibly tight-knit and diverse. I saw the need for co-working spaces in the inland I-15 corridor and think that Scripps Ranch is an ideal fit for a space like ours."

Venture X San Diego - Scripps Ranch provides the lease and space flexibility, IT security, and amenities that the professional greater San Diego workforce needs to succeed. The location is located in a three-story building, occupying the second floor with premium office space. With 91 office options, the co-working space can accommodate teams of varying sizes. Whether you are a one-person team or a growing business with an established employee base, Venture X has the perfect solution.

The San Diego location also boasts four terraces, one of which is part of a team office that can accommodate up to 15 members. From dedicated desk space to shared desks, the location has it all. The San Diego site also features super-premium coffee machines, printing areas, conference rooms, private phone booths, access to a newly renovated gym, and a 2,000-square-foot event space.

Venture X San Diego - Scripps Ranch is open from 8:30 a.m. to 5 p.m., Monday through Friday, with 24-hour access for specific memberships.

Before joining Venture X, franchise owner John Lee spent 21 years in finance, working for major investment banks and investment funds. He is originally from Los Angeles and has lived and worked in New York City, London, Tokyo, Hong Kong, and Miami. Lee is married and has one young son.
