CallCabinet Expands Portfolio for Meetings with Webex by Cisco

CallCabinet's Webex Meetings integration offers single compliant call recording and analytics across the Webex platform

CallCabinet Expands Portfolio for Meetings with Webex by Cisco

BOCA RATON, FLORIDA, UNITED STATES, July 26, 2023 /EINPresswire.com/ -- CallCabinet, a developer of cloud and premise-based call recording solutions, continues its partnership with Webex by Cisco, a leading provider of collaboration technologies powering hybrid work, to now deliver an integration with Webex Meetings.

With CallCabinet's Webex Meetings integration, users directly control when call recording is needed with complete peace of mind that the recording data is handled compliantly and securely. CallCabinet's powerful analytics tools also offer an additional layer of actionable insights for decision-makers on the captured call data - increasing the business value of each recorded communication.

> Our commitment shines through in this integration, offering a flexible, secure, and forward-looking approach to harnessing conversation data through a single unified solution,"
>
> *Ron Romanchik, Chief Strategy Officer at CallCabinet*

"As businesses adapt to the ever-changing digital landscape, our commitment shines through in this integration, offering a flexible, secure, and forward-looking approach to harnessing conversation data through a single unified solution," said Ron Romanchik, Chief Strategy Officer at CallCabinet. "As a longstanding and trusted Cisco Solutions Plus partner, CallCabinet swiftly and seamlessly adapts to the rapid evolution within the unified collaboration landscape, and the new integration with Webex Meetings underscores CallCabinet's ability to deliver unparalleled value to corporate decision-makers."

This addition further strengthens CallCabinet's comprehensive range of end-to-end compliant

call recording and AI conversation analytics solutions within the Cisco portfolio, enabling an extensive reach across the Webex platform.

CallCabinet's Webex Meetings integration is now available on the Webex App Hub and deployable for Cisco partners around the world. At a time when organizations are looking to cut costs and streamline operations, CallCabinet delivers a one-stop, rapidly deployable solution that provides flexibility and scalability, regardless of platforms or data volumes.
