

ZEBEDEE Partners With Rewards Bunny to Introduce Bitcoin-Rewarded Shopping

Shopping for the world's biggest brands now rewards users with Bitcoin - instantly and anywhere in the world.

HOBOKEN, NJ, US, July 26, 2023 /EINPresswire.com/ -- [ZEBEDEE](#), the next-generation FinTech powering rewarded games and apps, today announced they've partnered with Rewards Bunny to give shoppers Bitcoin rewards with every purchase, bringing shopping into the quickly growing ZBD ecosystem of games, apps and communities.

ZEBEDEE x Rewards Bunny: Shop, Earn, Repeat

Shoppers in 100+ countries can now get their hands on free Bitcoin just by using the [Rewards Bunny app](#) to shop at hundreds of top online stores. Once they've completed a purchase and received their rewards, users can withdraw Bitcoin to their [ZBD app](#) instantly and with zero fees. Then, they can use their Bitcoin in a large variety of ways, from supporting their favorite podcasters, to "zapping" a bit of cash to their friends using ZBD's social features, buying gift cards or simply converting the Bitcoin into their local currency, if they've already earned more than they can spend.

“

Online shopping and Bitcoin rewards just fit, because it doesn't matter where you're shopping from, you'll receive your rewards instantly and you can instantly use that money in a very seamless way.”

Ben Cousens, Chief Strategy Officer at ZEBEDEE

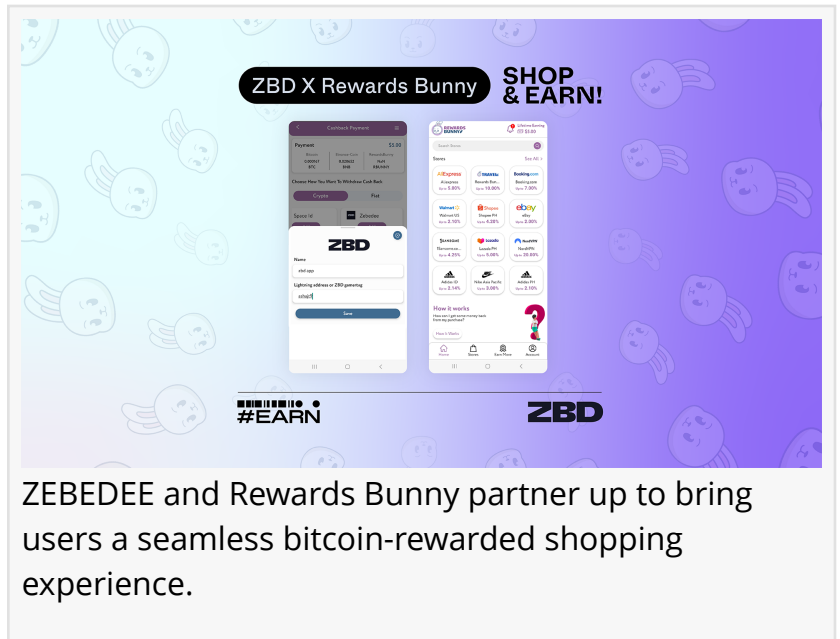

Rewarded shopping is the latest addition to the ZBD ecosystem, which is best known for its variety of rewarded games, but is quickly expanding into a holistic network of

games, apps and communities that reward users with Bitcoin and give them plenty of opportunities to use their rewards.

“We're excited to partner with ZEBEDEE, not just for the power and ease of use of their payments platform, but for the impressive ecosystem they're building around it,” says Stephanie Lim, Chief

Marketing Officer at Rewards Bunny.
“The more things our users can do with their rewards in a simple way, the better.”

“Online shopping and Bitcoin rewards just fit, because it doesn’t matter where you’re shopping from, you’ll receive your rewards instantly and you can instantly use that money as well in a very seamless way,” says Ben Cousens, Chief Strategy Officer at ZEBEDEE. “With this partnership, we’ve made a significant step towards making Bitcoin the most useful form of money online. You get it by shopping, playing games or listening to podcasts, then you can use it in really fun ways, like sending a bit of love to a friend that posted an awesome meme on ZBD or a musician that posted a new track.”

ZEBEDEE and Rewards Bunny partner up to bring users a seamless bitcoin-rewarded shopping experience.

To join the world of Bitcoin-rewarded shopping, get Rewards Bunny. Then take your rewards over to the ZBD app instantly and explore all the ways you can earn, connect and spend.

About Rewards Bunny

Rewards Bunny is a revolutionary crypto rewards platform that seamlessly bridges the gap between your everyday activities and the fascinating world of digital assets. The company took the traditional model of cashback rewards and gave it a cryptocurrency twist. Consider users' typical online shopping habits — now, envision earning crypto rewards simply by continuing these routine activities. Learn more about Rewards Bunny at rewardsbunny.com.

About ZEBEDEE

ZEBEDEE is the leading FinTech building payments technology on top of the Bitcoin Lightning Network. Backed by global VCs and gaming studios including Initial Capital, Lakestar, Kingsway Capital, The Raine Group and Square Enix, its sophisticated tools enable developers to easily integrate payments functionality into their products. ZEBEDEE erases the boundaries between real and virtual worlds by powering instant global transactions of any size for any game, site or application through the Bitcoin Lightning Network. Learn more about ZEBEDEE and the benefits it brings to developers and gamers alike at zebedee.io.
