Dr. David Vecchione, new spine surgeon in South Florida

With a strong commitment to patient care, Dr. Vecchione earned his medical degree from New York University School of Medicine. He further honed his expertise during his orthopedic residency at Jackson Memorial Hospital. Following his passion for spine care, he pursued and successfully completed his Spine Surgery Fellowship at William Beaumont Health System.

Dr. Vecchione's remarkable qualifications make him an invaluable addition to the South Florida community. With expertise in minimally invasive techniques and reconstructive spine surgery, he brings a wealth of knowledge to Spine & Orthopedic Center. Furthermore, his proficiency in diagnosing and treating a wide range of spine-related conditions will greatly benefit patients seeking comprehensive spinal care.

"We are thrilled to welcome Dr. David Vecchione to our family at Spine & Orthopedic Center. His dedication to patient-centered care and expertise in the field of spine surgery align perfectly with our mission to provide the highest standard of treatment for our patients," says Dr. Ashish Sahai, medical director and founder of Spine & Orthopedic Center.

As part of our ongoing commitment to excellence, we continuously strive to expand our team with top-notch medical professionals who share our vision of compassionate and cutting-edge care. Dr. Vecchione's addition reinforces our commitment to offering the best possible care for individuals seeking relief from spine-related ailments.
