**August 3rd - 2023**  
11.00 am-12.30 pm, PT

BWISE Exclusive Webinar

During this webinar, BWISE's ERP and logistics experts will delve into the key benefits and functionalities of BWISE and its integration with SAP Business One. Participants will discover how this unique combination enables them to streamline their distribution operations, eliminate manual processes, and enhance overall efficiency.

Topics Covered in the Webinar Include:

## INTRODUCTION TO BWISE

Learn about the robust features and capabilities of the WISE WMS software and how it complements the power of SAP Business One.

## SEAMLESS INTEGRATION

Gain insights into the integration process between SAP Business One and WISE WMS, ensuring smooth data flow and real-time visibility across the entire distribution network.

## INVENTORY OPTIMIZATION

Discover how BWISE optimizes inventory management, improves accuracy, and reduces stockouts, enabling the user to meet customer demands effectively.

## ORDER PROCESSING AND FULFILLMENT

Explore how integration enhances order processing efficiency, automates workflows, and enables faster and more accurate order fulfillment, ultimately improving customer satisfaction.

## REAL-TIME ANALYTICS AND REPORTING

Learn how BWISE provides comprehensive analytics and reporting capabilities, enabling the user to make data-driven decisions and drive continuous improvement in distribution operations.

## About BWISE

BWISE is a versatile business management system that can be implemented across all facets of warehouse and front office operations, facilitating optimal business performance through the efficient management of tasks, operations, budgets, and productivity tracking.

BWISE provides an intuitive and easy-to-use solution that requires relatively minimal setup and little IT overhead approach to allow businesses to monitor and measure performance, identify problems and opportunities, streamline operations, and improve agility in real-time. This allows organizations to make informed -decisions quickly and efficiently. BWISE also offers comprehensive reporting and analytics capabilities, allowing the identification of areas of improvement and developing strategies for long-term success.
