/EINPresswire.com/ -- [Lisa Goodpaster](#) has appeared on multiple shows over the last few years as an advocate for Alienated Parents, she founded the [Stephood](#) Project:

"I started the project to bring awareness of parental alienation and reach other survivors unaware of them. To ignite a positive movement forward towards parenting for our kids and generations to come. Co-parenting is so essential. Without it, any child can be led with years of trauma and confusion. This reason alone is why I started the Stephood Project."

Lisa Goodpaster

Archway Publishing has published her groundbreaking work: ALIENATED When Parents Won't Parent.
