

All The King's Son: An Intriguing Tale of Nineteen Sons of King David Unraveling a Dynasty's Struggle for Power

SNOHOMISH, WASHINGTON, UNITED STATES, July 27, 2023 /EINPresswire.com/ -- In a charming new book titled *All The King's Son*, author Archibald Asberry Jr. takes readers on an enthralling journey through the turbulent history of King David's family. This story examines the struggles for power, the repercussions of sin, and the realization of heavenly promises through the lives of his nineteen sons.

The book opens with a profound reflection on the ancient prophecy from God regarding the enmity between the offspring of the woman and the serpent. It probes into the Davidic royal dynasty and illustrates the anarchy that ensues when the king marries and has offspring from too many women.

The author has used his artistic license to fill in the blanks between the biblical facts and dates about King David's family, giving the reader the impression that they are in the palace, watching the royals.

Asberry eloquently portrays the devil's relentless attempts to thwart God's plan by seeking to corrupt the bloodline that would give rise to the chosen Messiah.

The narrative shares the complexities of King David's dynasty, once united in harmony but shattered by his transgressions, giving rise to betrayal, conflict, and moral decline among his sons.

Despite God's promise of an everlasting throne through David's bloodline, his descendants grapple with their carnal desires and the insidious influence of the devil.

Readers are exposed to an environment of political intrigue, sibling rivalry, and the consequences of straying from the righteous path as the story unfolds.
